

Term Project Proposal

Title: Tic Tac Toe Game

Description: Purpose of this project is creating a tic tac toe game on web page by using javascript html and css. Tic tac toe is a classic children's paper and pencil game.

For two players who take turns marking the spaces in a three-by-three grid with X or O. The player who succeeds in placing three of their marks in a horizontal, vertical, or diagonal row is the winner.

The tic-tac-toe game looks like:

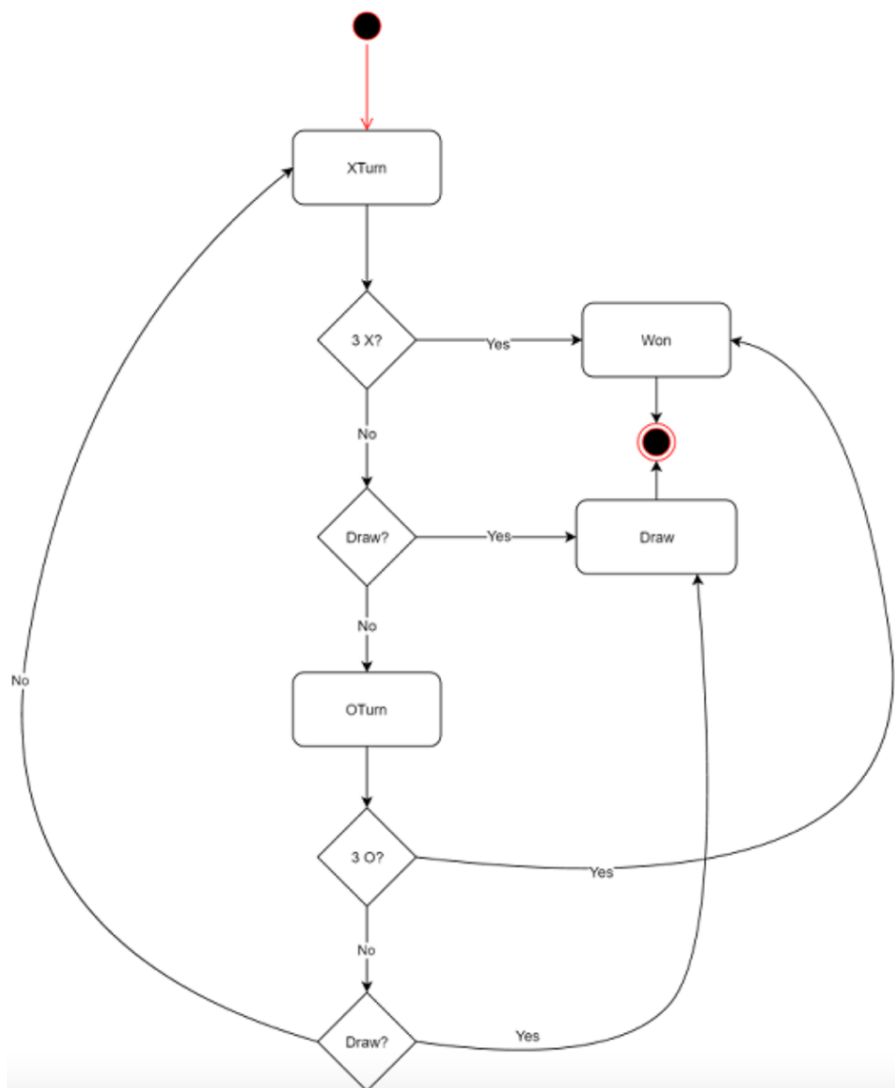

Example Game Play:

First player select **X** and second player select **O**.

First player win game in seven steps:
